Candidates interested in applying for more than one program should submit separate fees for each program through bank vouchers or online payment via the application portal. Details of seat distribution will be published later in the website. Candidates should choose only one of the two subcategories while filling up the online application form as detailed below.

- i. Sub-category I: Foreign to appear MECEE-PG 2026.  
Sub-category I candidates who appear in the entrance examination conducted by Medical Education Commission will be given the first priority in the open house matching for foreign seats.
- ii. Sub-category II: Foreign NOT to appear MECEE-PG 2026.  
Sub-category II candidates who have secured a rank above the 50<sup>th</sup> percentile (or at least 50% marks, if the results are given in percentage) in the recently conducted MEC approved National Level Common Entrance Examination of their respective country can select only those seats which remain vacant after a merit-based selection process from Sub-category I candidates, according to their merit order.
- iii. Foreign candidates who are selected for admission are required to submit original documents at the time of admission.
- iv. Candidates who submit the fake information/documents will be liable for legal actions as per prevailing rules and regulations of Nepal.
